

A low-angle, upward-looking shot of a curved architectural structure. The structure features a facade of vertical wooden slats and a black metal frame. The slats are arranged in a grid pattern, creating a complex geometric design. The structure is curved, following the arc of the frame. In the background, a palm tree is visible against a clear sky.

VIGA MD

The logo for MADERDECK, featuring a stylized graphic of vertical wooden slats to the left of the brand name in a bold, sans-serif font.
